## What is truFIX®?

truFIX® is a plant-based formula that helps you maintain optimal blood chemistry, an essential component of weight loss and a healthy body!\* With ingredients including Alpha Lipoic Acid (ALA), magnesium, chromium, raspberry ketones and cinnamon. truFIX® supports all systems of the body and makes maintaining your general health easier than ever!\*

- Optimize Blood Chemistry†
- Helps Control Cravings†
- Decaffeinated Green Coffee Bean Extract

## How does truFIX® work?

Together truFIX® and Vy™ make an incredible weight loss and weight management combo. truFIX® and Vy™ work to balance your body, boost energy and support a thriving metabolism so you can feel your best and reach your body composition goals. \* There's never been a better match!

## How do I take truFIX® and Vy™?

**truFIX® capsule:** Take one capsule in the morning and another in the afternoon, with meals. Can also be taken with the evening meal.

**Vy™ capsule:** Take one capsule the first day to determine tolerance. After the first day, increase to twice a day if desired. Take it before breakfast in the morning and again in the early afternoon. Do not take more than four capsules per day.

truFIX® and Vy™ are most powerful when combined with an appropriate meal regimen and exercise program such as Truvy Fit. Please consult your physician before starting this or any other supplement.
