

Collagen +BHC

Our unique Collagen+BHC™ drink is a sunrise product made with the purest of ingredients to make a deliciously flavorful addition to your beauty routine. Including bioavailable collagen peptides, biotin, hyaluronic acid, and vitamin C; Collagen+BHC supports joints, hair, skin, & nails as well as skin hydration, elasticity, the immune system and so much more.*

“Beauty in the skin starts from within.”

What makes Collagen+BHC so unique?

We're getting older - it happens - but that does not have to be a terrible thing! Adding a collagen supplement to our daily regimen is proven to support us as we age (since natural collagen levels are depleted as we get older). A rich collagen supplement can help fibroblasts (a type of cell) in your dermis (the middle layer of skin), aiding growth of new cells.* It plays a significant role in replacing dead skin cells, promoting structure and elasticity, and providing a protective cover for organs.*

What makes Collagen+BHC so unique?

This is not your average collagen powder that you'll find on the grocery store shelf. No, our Collagen+BHC is not only the purest and most bioavailable bovine collagen, but we also included additional supporting ingredients like Biotin, Hyaluronic Acid, and Vitamin C. These ingredients paired with collagen create a powerful, beautifying combo to support health and beauty from the inside out.*

- **Collagen** in its purest form, our collagen is thoroughly tested for effectiveness and bioavailability.*
- **Vitamin C** is a critical and essential vitamin required to properly form collagen-supported structures in the body (not to mention, a great immune support!)*
- **Biotin** helps the body build keratin, an integral component for glowing hair, skin, and nails.*
- **Hyaluronic Acid** with anti-aging properties and support for skin hydration, elasticity, and joint lubrication.*

“Look and Feel Younger!”

Benefits of Collagen+BHC:

- Reduce the appearance of fine lines and wrinkles
- Supports healthy joints & bones*
- Younger looking skin*
- Promotes healthy hair, skin, & nails*
